

Q and A? after when time give the ability.

Educate.-SA pictures that show how we help and do things other than have fun.

-Little workshops inside the big workshop: Examples of workshops. Get a random adult and a Beacon youth give a situation and ask "what would you do?"

-how the old youth help young youth, and also how the Co-chairs (district) work as equals.

-RE vs Beacon: how different they are from each other. Curriculum vs business/social stuffs.

- The function of sharing power "I'm a human, you are a human, let us decide this" (equality YAY
^-^)

Key components to be joined with your youth - allowed to practice the fourth principle ("search for what is true" (Quote pf the night "YOU CAN'T DO THIS"))

- The bonds we make over the decisions we make
- Stretching and bonding creates a (rare) positive consensus.
- "You are not alone in your search and meaning"
- Food be importantz

Playing connect? (more people more coolness.)
